Our vision and mission

The Zoological Society of London (ZSL) is an international conservation charity, driven by science, working to restore wildlife in the UK and around the world. Our vision is a world where wildlife thrives and every role, every person in every corner of ZSL has one thing in common – we are all conservationists, and passionate about restoring wildlife.

Purpose of the role

To provide animal husbandry and welfare in accordance with best practice protocols.

Key responsibilities

- Preparation of approved diets and the carrying out of feeding procedures.
- Maintaining the highest standards of hygiene by cleaning and maintaining exhibits, equipment, and other designated areas.
- Contribute to the development of high standards of husbandry and welfare, developing innovative, enriching, and aesthetic enclosures with the team.
- Observe the behaviour, health and security of animals and report concerns and problems to Lead Keepers or Section Manager.
- Assist and develop animal training enrichment programmes.
- Administration of veterinary treatments under the direction of the Veterinary Team.
- Create a positive visitor experience by engaging effectively with customers through talks and demonstrations.
- Engage with the curatorial team and support conservation and research activity.
- Data entry to animal records and onto daily record sheets, risk assessments and the ZIMS database.
- To ensure that the policy for equality and diversity is adhered to and promoted in all aspects of the post holder's work.

The duties and responsibilities described are not a comprehensive list and additional tasks may be assigned from time to time that are in line with the level of the role.
